Refuses to Sell Near Dam.
Officer Frank Williams was three days last week at Elephant Butte dam inspecting his property in that section. He was greatly impressed by the gigantic work which is being carried on in that vicinity. Williams journeyed to Elephant Butte to make a sale of his property, but after seeing the work that is being done on the dam, concluded that he would profit by holding his land.

EL PASOANS OFF
FOR BIG FIGHT

Democrats Go to Houston to Attend Convention and Fight for Seats.

The G. H. & S. A. passenger train which left El Paso Saturday night en route to Houston, carried the two separate sets of delegates selected at the two Democratic county conventions held here May 5.

W. B. Ware, chairman of the Democratic county executive committee, went in charge of the anti-ring delegates, and his province, as well as the others, who make up this delegation, will be to see that the ring delegates are refused seats at the state convention. The fortunes of the ring delegation will be in the hands of mayor C. E. Kelly, judge A. E. Robert Holliday, Adair, Pool, state senator Claude Hudspeth and R. E. Thompson.

The oratory of Zach L. Cobb, coupled with the fact that Ware as chairman never certified to the selection of the delegates, and the fact that Cobb is related upon to unseat the members who compose the ring delegation, J. M. Goggin, E. T. Moore, C. W. Marshall, who are the anti-ring delegates, and selected at the Ware convention, will be on hand to assist Cobb and Ware. The committee on credentials at the state convention, will have to pass on the qualifications of the respective delegates from El Paso.

MAKING WHIRLWIND
CLOSE OF CAMPAIGN

Taft and Roosevelt Spinning Over New Jersey—Primates Tomorrow.

Newark, N. J., May 27.—This was another day of hard riding and fast talking for president Taft and colonel Roosevelt. Tomorrow New Jersey will instruct her 28 delegates to the national convention, and the last full day of the primary campaign was utilized by both candidates to its last hour. Colonel Roosevelt started from Ory-

ter Bay early this morning for what may be his last day of campaigning before the national convention unless he decides to go to South Dakota.

Mr. Taft will continue his campaign up until the polls open at 1 o'clock tomorrow. Today he started from New York, where he spent Sunday and last night for four of the towns along the Atlantic coast. His day's work will end at Atlantic City where he will spend the night.

ROOSEVELT SAYS HIS
ADMINISTRATION MADE GOOD.

Morristown, N. J., May 27.—The last day of colonel Roosevelt's campaign in New Jersey began with a speech in Morristown, in which the former president took up the assertion that during his administration he had been extravagant in the expenditure of public funds.

"Recently Mr. Taft has dwelt on the fact that my administration had left a deficit," said the colonel. "He can say that by taking only one year and omitting the other six and one half. During my administration we piled up a surplus of between \$200,000,000 and \$300,000,000. In fact we had almost too much money and we paid a large part of the money used on the Panama canal without a bond issue."

WILSON LEADS BUT HAS
NOT WON CAROLINA VOTE.

Wilmington, N. C., May 27.—Returns from the Democratic county conventions of Saturday, now practically complete, indicate that while governor Wilson will have more instructed delegates than representative Underwood in the state convention June 6, the majority of delegates will come uninstructed. Only 10 out of 10 counties instructed.

Clark and Harmon also made a showing of strength.

Uninstructed for suits—half price. R. V. Pearson, 118 Texas.

FOURTEEN CARS
ENTER AUTO RACE

Fastest Single Round Made
by David Bruce Brown
In National.

Speedway, Indianapolis, Ind., May 27.—Fourteen out of 26 cars entered in the Memorial day 500 mile race at the speedway qualified in the first session of the speed elimination trials today. One lap of two miles and a half in two minutes was demanded by the rules.

Only one car failed in the first trial, Romine's Continental, and it will have two other chances.

De Palma in a Mercedes made the fastest lap in 1:44:02.

Starter Fred Wagner let Tetzlaff's red Fiat away first and it flashed around the course in 1:46. Metz in a Stutz, got through in 1:55 and Zengel in a second Stutz, went around in one second better.

Disbrow put his Cast over in 1:57:55, and Anderson in a Stutz went the distance in 1:51:20.

Burnan sent his Cutting through in 1:42.

Endliott (Schacht) made 1:51:70; Marquette (McFarlan), 1:53:26; Jun-

kins (White), 1:51:35; Knight (Lexington), 1:58:34.

Burnman's time was corrected from 1:42 to 1:47.

Maxson, in a Lozier, went around in 1:52:04. Linsaw (Marquette-Buick) in 1:56:11, and Frazier (Forestone-Columbus) in 1:56:42.

Brown Leads.

David Bruce-Brown (National) made in 1:41:75, the fastest time of the day, so far, averaging 88.1-2 miles an hour.

Dawson (National) made it in 1:44:45, second best time. Joe Horan marked 1:51:82 for his Lozier.

Herr (National) made the circuit in 1:45:25, and Wishart (Mercedes) in 1:47:20. The Continental's crank shaft was broken, it was announced, and the entry was withdrawn.

A pre-cooling plant is to be installed at Houston at a cost of \$100,000.

Make your city the "bright spot" of your state.

Grandmother's Herbs.

Almost every American man or woman can recall the collection of roots, herbs and barks made every fall for the home medicine chest.

It is interesting to note that the most successful remedy for female ailments nearly 40 years ago in one of these home medicine chests and Lydia E. Pinkham's Vegetable Compound is made today in immense quantities from these same roots and herbs with extreme accuracy, care and cleanliness.

Herb alone could have stood this test of time.
